**On these dark winter's eves
By our hearths we take our ease
But 'tis the dreaded Monday eve
Our loins we must gird, and leave**

**To our cars we hasten to leave
Pew Tor the allotted place to be
For 1930 is the time to start
The weekly torture in which we all take part.**

**Upon Pew Tor's bleak stony face
Last weeks hash did take place
Young and old, rich and poor
Did puff and wheeze across the moor**

**Well Laid our mischievous marketeer
Did confuse his spouse and lose her near
Whilst Barney kept to the rear
To slow our fast hashers, oh dear!**

**Von Trapp lurked behind gorse bushes here and there
And surprised hashes unaware: DoDo bent to tie his shoe
When Cannon Fodder bounced him, and off he flew!
To a trunnel* with Penny Farting....**

**Windy and Wacey in a state of undress
Surprised passengers on the Plymouth express
Shooting stars darting across the atmosphere
To celebrate a hash well done by Hot Rocks and Vampire Slayer!**

**At the Halfway House much conversation ensued
Of Biff's inner thigh and a bruise!!
A toilet turnstile one leg each side
Did trap our dear Biff to Glanni's surprise.**

**Further news cos we lost the muse!! Luffly did win the raffle though to write this
garbage!
Hobo was heard saying that Miss had six cocks or was that Cox?
Can't Remember would like a twinkly bush!! Hopefully she will have one for
Christmas, Hurricane?
Hash Christmas card, in the pub. Donations to St Luke's Hospice.**

On on and a Merry Christmas from Luffly and Henry.xx

***trunnel- a tree lined tunnel (according to Penny Farting!)**
