Apologies for this disastrous excuse for a hash mag and the appalling “rhyiming” and y

(to the tune of Vanilla Ice – Ice Ice Baby)

Hash hash baby
Alright start, shout on on and listen
The flour is gone so it's Pimp's invention
The night starts to freak out On the Khazi
Dog catcher trips up, because he can't see
Will we ever find it? We don't know
Turn on your torches, and have a go
Did Glani push him over, what a scoundrel
Well Laid should investigate, this scandal

Hash, go run the route that looms
Nipple Deep shouting 'need a pint of Doom'
Deadly, is the hash laid before us
Land Rover needed, where's Aimless?
Love it or leave it, be on your way
Hooray for the shorts, the longs are gay

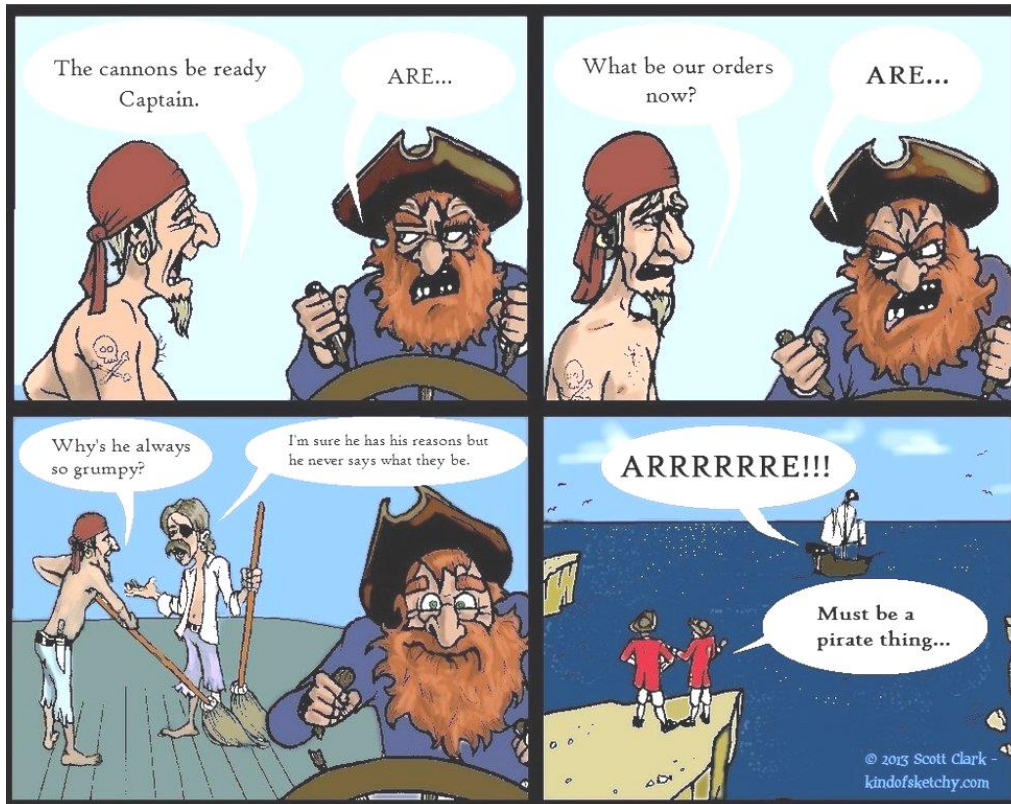

If you've got a problem Biff will solve it
Check out this mag, while Chopper performs it...

Hash hash baby

***PLEASE ENCOURAGE CHOPPER TO DRINK A LOT SO THAT THIS
CAN BE PERFORMED!!!!***

Hope you enjoyed that and you enjoy the picture below to make up for this terrible idea
that was enjoyable and hilarious to write by all involved
