Next Run No: 2133	Start: Norsworthy Bridge	Hares: Von Trap & Pony
Date: 14 February		Scribe: Naughty Boy
On Down: The Burrator Inn;- Food available and plenty of outside accommodation in group Pods		

So an exciting and action filled Hash this week, the first obstacle was to negotiate the track up to the Wheal Tor hotel. A few potholes and muddy puddles later the effort was worth it as the evening and the view was perfect for a hash, clear skies, and spectacular views down to Plymouth and Dartmoor.

The turnout for a hash away from Tavistock and the Tamar valley was brilliant, 20 plus keen hashers ready to race across the moors but stick to the flour was the instruction especially when crossing the spoil heaps. A great Hash thanks to Slush and Jan, tracks, mud, water and a few old mine workings all thrown into the mix. Biff running tonight without her "Chat partner" of Dirty Oar who was off doing something cultural was heard to remark that the verbiage stream from Good Head was deafening in the quiet of the moors.

All checked back in and a great venue for the "on down" at the Wheal Tor Inn itself, but just as I got my beer, Nippy said that one of our number is missing and would I please do the Hash hush as they were going out to search for "Scupper Sucker" who had managed not to follow the flour and was in fact AWOL.

Meanwhile in the bar Good Head was giving close instruction to Womble reading from his phone with the excuse that he had to be close as he had forgotten his glasses!!!

Scupper sucker ("Lost Norris") having been found wandering across the moor and brought in from the cold protesting his intention to run the hash for a second time and he was not lost at all!!!

The GM,s "Hash Hush" was held in the Conservatory but under extreme heckling from the Outside group of "Fresh Air" hashers, but a true professional he carried out his duties with grace and poise, delivering the notices of the day.

Unbelievably there was even more drama occurring outside when Biff revealed to Hot Rocks and Vampire Slayer that she in fact had the perfect "Six Pack".

Photographic evidence is not available for this fact, but Hot Rocks face tells its own story!!

INFO For Hares

The “On Down” in the pub is a tricky situation at the moment, in that many are not comfortable with enclosed space so please where you can when you contact the pub can you find out what external / covered spaces they have available. And can you please advise the **Hare Master** (Nicky) a min of two weeks in advance of your hash to include the details of Start and, On Down and food availability at the pub so that I can put it here in the mag.
