Being lazy and not at all erudite I shall fill this mag with the low down on the new Committee members. To make the process even easier for myself I got them to write about each other, so their comments are in italics...

KRAKOW (aka Steve Statham) - JOINT MASTER

What a cheery chappy! He loves to play tricks on the hash, like finding an arrow and pretending it is not there whilst watching everyone else searching around shouting "ARE YOU?" Ask him how he got his hash name – go on, I dare you.

"Enjoys regular wanks on the moon and cuddle tit dinners with chimps." (Oh sorry, can't read the writing, think it might be walks on the moor and candle lit dinners with chips.)

K2 (aka Ann Mercer) - CHAMBER POT

This adventurous hasher is planning a year of VSO and is currently raising funds for it. Bring 50p for K2's Cracking Cakes at the end of the hash. I can personally vouch for the yumminess of these goodies.

"Current hash dog walker, but cannot guarantee their safe return."

GANNET (aka Angela Sykes) – SCRIBE MASTER

So called because she eats, well, like a gannet! Except she doesn't like fish.

"Loves her pudding?"

PIMP (aka Roger Thorne) - WEB MASTER

Shown here at his happiest – with a pint in his hand. Definately a drinker with a running problem.

"On camping weekends he brings lots of lights for his tent to create mobile Blackpool Illuminations."

And of course he is the one and only everlasting Committee Member.

CHEDDAR (aka Brenda Cotterill) – CHAMBER POT

This Princetown Pretty is part and parcel of the hash – if you cut her through the middle you will see “On On” printed inside.

“Not keen on giving out trophies to newbies, i.e. 50 runs, but is well happy if she gets one for runs after 1,000. A wise hasher (REALLY??) who will keep all of us on the straight and level.”

WELL LAID (aka Mark Pratten) - HASHER DABBER

Mad, quite mad! What twerp put him in charge of the beer?

“Seeks a professional high flying woman (I thought he already had one?!) to share his interests must have own bike. Please send photo of bike.”

COME FORWARD (aka Elena Stamp) - HASH FLASH

This Committee Member has the easiest job of the lot. Why? Because there is no hash camera so she cannot take any photos! Anybody got a spare digital camera they could donate?

“Makes a fantastic pudding. Enjoys climbing fingery jamming cracks.(WTF?) Has a passion for masochistic exercising.”

BIFF (aka Kate Glanville) - HARE MASTER

Don't mess with this chick – she got her name from punching a bloke! So when she asks you nicely if you would like to set a run, the answer is definitely yes.

“She must be a bit of a drop short if she cannot be bothered to come to the first Committee meeting. After all it's not that far from the Lake District is it?”

ON ALL FOURS (aka Mo Rujak) - JOINT MASTER

Keen as a keen thing on a keen day.

“He is living in a house with 9 other girls.” (Does this mean he is a girl too?) He is a keen climber. He has designs on being the GM.”

AIMLESS (aka Paul Aimes) - ON SEC

Chosen for being punctual. He was only 45 minutes late for the first Committee meeting, which has set a good benchmark for future events. Aimless can be bribed to add a few runs to your total so that you get your awards more quickly. Or he can be bribed to show less runs so that you never get any of the tatt that passes for awards.

“Has a loo seat fetish.”
