DUST**

**THE  
HASH**

A light, muggy & damp evening, the  
local flora and fauna,  
hash hush began with a long list of the  
The Longs ran up and down scratching  
their heads at every check wondering  
what Glanni was more interested in  
other hand was more interested in  
taking everyone on a personalised  
tour.  
The shorts went the wrong way, lost  
the dust and stood around being  
eaten by bugs.

HASH**

**COMMENTS**

Unknown – It was great!  
Biff – Vonn Trapp & Pony didn't pay as  
they went for a walk, however Vonn  
Trapp later returned and paid £1 for  
himself leaving Pony now in debt.  
Glanni – Easy, just kept putting the  
dust down... bog cotton... cuckoos... tin  
workings... bridge... insectivorous  
plants...  
Honest Jonny – we rescued a sheep

**COMMENTS**

Tom Simpson – Borati  
from Plympton hash and a naming of  
English Teacher "Shiny Tits" a convert  
Ken, a virgin hasher & On All Fours  
– literally (standing on a chair)  
Bin Liner forced into a higher position  
her chances at GM and an unwilling  
Mutiny on the horizon as Fergie tries  
Burrator Inn.  
In a word – Loud! Obviously people  
as there was much grassing in the  
hadn't lost enough breath on the hash
