Thanks to Gnashers and Tampax for a good Cornish Hash from St Dominick. (Note Ordnance Survey still use the 'k' as this is the historic spelling but the letter 'k' has gradually been dropped with time so St Dominic is mainly used by locals). I logged 9.6km of languishing long and enjoyed a heart to heart with

DoDo. Actually we didn't see many others but when we returned to the pub

told me that she had done 4.1 miles on the short. Luffly Chocolatey Thornton told me that Biff and Glani always take their individual headtorches when they stay in a hotel, (presumably to make rabbit ear shadows on the walls)?

Anyway some seasonal jokes for this week:

*Why do ghosts like to go in lifts?
It raises their spirits*

What is a ghost's favourite room?
The living room

*Why don't ghosts like rain?
It dampens their spirits*

What do you call a vampire that lives in a kitchen?
Count Spatula

*Why don't skeletons go out on the town?
Because they have no body to go with*

HURRICANE avoided the run because he had 'got a cough'. Might have been 'slacking off' I couldn't really hear.

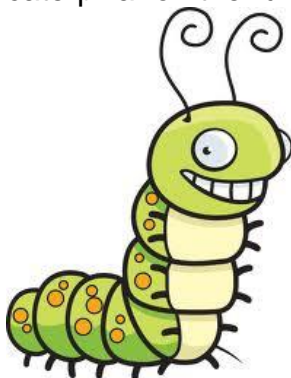

Au revoir to HORNBLOWER who is off to Bahrain (map below if required)

Wobbly Knob was absent. It seems he may be ageing/maturing (note leather elbow patches)...

Gannet spent ome time admiring a caterpillar on the run:

(which turned out to be a piece of old rope).

Ramraider forgot his trousers. He looked like he was wearing his nightwear in the pub:

A Gurnards Head (for Luffly and Henry who honeymooned there last week):

And P3 was still in shock after running his car into a cow last week. The cow came off best:

Don't Forget HASH BARN DANCE 9th November 19.30 Yelverton Church Hall.

Michael Jackson Inquest Multiple Choice:
There will be a new post-mortem today on the body of Michael Jackson at the request of the family. The doctor has been briefed to determine which was the cause of death:

- A) Sunshine
- B) Moonlight
- C) Good Times
- D) Boogie
