**THE BATTLE OF MINIONS (This won't be in Glanni's history books)**

After not having hashed for some time in the Minions area, it was for the second time in a month that we ventured across the Tamar (for most of us) back to Kazakhstan (It locate between Tajikistan, and Kyrgyzstan, and assholes Uzbekistan), for the second hash in the area, this time laid by Borat. He wasn't envied in his task as, after the standard of the hash previously laid by Stopcock and Fergie he simply couldn't compete!! (Ok, I may be a teeny weenie bit biased)

As the convoy of hashers arrived in Minions the confusion began with no-one knowing where the start actually was, on locating Borat we did a DIY check-in as he was gassing with the other young uns. However, the young uns are gradually getting older with most of them now having had to enter the real world of work and becoming grownups!

So, let's compare the Hashes....

	STOPCOCK/FERGIE	BORAT
BOULDER FIELDS	YES	NO
BOGS	YES	YES
LEACHES	YES	NO
NICE WEATHER	YES	SORT OF
MINONS CHARACTERS	YES (They visited on the day)	NO
CLIFF FACES	YES	NO
SHORT CUTTING	YES (BY SOME)	YES (BY EVERYONE)
INJURIES	NO	YES
DANGER	YES YES YES	NO
HILLS	YES	YES
SHEEEP	YES	YES

Despite Fergie and Stopcock having laid a hazardous run with most risks available being included, they succeeded in an injury free run. Whereas Borat managed to booby trap his run with..... well, nothing, and yet Hurricane still managed to blame anything he possibly could for spraining his ankle within 100 metres from the car park.

Due to the earlier confusion as to the location of the start of the run however, he still had to hobble to the pub anyway. Fortunately for him, St Biff interrupted her peaceful time in the pub to drive a whole 50 metres to give him a lift. Really Hurricane, couldn't you have hobbled a bit further?

Borat tried to send us in circles, unfortunately, everyone managed to miss half the hash in the process and as a result his efforts were sadly not fully appreciated! Dogcatcher, Hot sox and Embarrister must be applauded though on their keenness or foolishness (you choose) in wading through a delightful muddy pond that everyone else decided to avoid but watched them from a safe distance. The longs went up a hill, only to then come back down it. (Isn't that a nursery rhyme?)

Two new pairs of trainers set out on the hash tonight, bright and shiny. Mine came back, bright and shiny whereas Chopper managed to get some dirt on his. Fortunately, both pairs were left in respective cars so down downs were avoided!

Back in the pub Glanni was spotted patrolling around armed with a map of the area and carrying a large book around about Minions Archaeology. There were several unsuspecting victims who had to find pitiful excuses in order to escape the boredom... yawn..

## CRIMEWATCH

Drink thief's in YOUR area!

Watch out one and all, don't leave your drinks lying around when Pimp, Pist'N'Broke and Scupper sucker are about. As I was talking to Biff we turned round to find that the three of them had stolen our drinks and were all swigging happily away from them! At which point, in walked Can't remember, with their actual drinks. Grrr.... Stop Thief!!

Captain Well Laid announced that he had a little plank (Under Lay has been complaining about it for some time) and that at the end of the year we would see who was the biggest plank-er! This could be close with so many contenders!

A request for the young uns (female variety), please could you wear baggy, poor fitting, frumpy clothes when hashing in future, you are showing the rest of us not so skinny females up in your skimpy running gear!

For the benefit of Hot Rocks, who still does not know what a Minion is..

And this one is even called Jerry!

Also, a reminder of the words for the down downs as they are becoming a regular occurrence..

Heres to ..... (s)he's true blue

(S)He's a hasher, through and through

(S)He's an asshole so they say

And (S)he'll never get to heaven, cos (s)hes gone the other way

Get it down down down.....

(If they are wrong, blame wobbly as I copied the ones he wrote)
