Hello hashers! Tonight you are treated to a Mystery Mag from one of our venerable and most respected hashers. Hem hem.

Tonight I am offering an alternative to the usual offerings from the scribes so you can do the quiz below and use the results to judge whether you stand a chance on Celebrity Mastermind.

WHAT SORT OF HASHER ARE YOU?

When arriving at the hash are you ...

- a) On time and ready to spend ten minutes warming up and stretching?
- b) Late?
- c) At the wrong place?

When you see the Hare Master approaching do you ...

- a) Rush up to her with your diary at the ready to book the date to set a run?
- b) Avoid eye contact but give in under pressure?
- c) Fake an emergency at home and leave before she can speak to you?

When setting a hash do you ...

- a) Spend at least a week planning and a day setting a well thought out and devious route?
- b) Do the best you can with limited time having had to work all weekend and Monday?
- c) Use as little dust as possible and get it set in an hour without giving a toss about letting everyone down?

Whilst on the hash do you ...

- a) Run VERY FAST and do EVERY check?
- b) Have a nice trot round and a chat with the other hashers?
- c) Short cut at EVERY opportunity?

During the On Down do you ...

- a) Buy a drink for the Hares and listen intently to the GM's Hash Hush?
- b) Get yourself a drink and chat some more with your mates, pausing to catch bits of the Hash Hush?
- c) Scab a drink off the Hares and only stop talking to your mates to shout abuse at the GM during the Hash Hush?

Scores

Mostly c's – You should be banned from the Hash as you definitely have not got the characteristics to make a good Hasher, you idle freeloader.

Mostly b's – You are a true Hasher through and through. Reward yourself by offering to set a run and write the words next week.

Mostly a's – You are a Super-Dooper-Hasher – Go clone yourself and bring them along too.
