<b>Next Run No: 2136</b>	<b>Start: Lopwell Dam Car Park</b>	<b>Hares: Spit Ends &amp; Minnie</b>
<b>Date: 7<sup>th</sup> March</b>	<b>On Down: Who'd Have Thought It, Milton Combe</b>	<b>Scribe: Naughty Boy</b>

“The hills of Lanson”, a great hash from Ben, Paul and Mellissa, but those hills!!! It was indeed a great hash, running the lanes of Launceston and out into some pretty steep fields then back into the town and across the very new pedestrian bridge over the Kensey. Again, up the hills on the far side of the river before turning for home. It is fair to say that this hash had more climb than many out on the moors!

The hash itself had some ups & downs, a helpful local driver parked on one of the checks making navigation tricky and Stopcock has

introduced a new and useful hash sign to show hazards on the course.

**Hashers Stopping to enjoy the views out over Launceston**

The bell Inn was a real revelation, a very welcoming pub with great beers and super food. A bit of a Tardis in that its much bigger inside than you would think.

The GM's hash hush was brief and too the point until hijacked by Good Head casting aspersions about the work ethic of a certain “hard working” 😊 member of the committee !!!

Note from Scribe the date for the summer event is in fact Saturday 4<sup>th</sup> June and it is at the Batchelors Hall Princetown. Fun, games, hash runs with a difference and BBQ will be all part of the evening / weekend.

## **INFO For Hares**

The “On Down” in the pub is a tricky situation at the moment, in that many are not comfortable with enclosed space so please where you can when you contact the pub can you find out what external / covered spaces they have available. And can you please advise the **Hare Master** (Nicky) a min of two weeks in advance of your hash to include the details of Start and, On Down and food availability at the pub so that I can put it here in the mag.
