*Or how many film references can you spot?*

You know me, avoid any unnecessary walking or exercise at any cost so got dropped off at the pub in Lewannick, Cornwall. I was greeted by Posh Pinny with a "welcome to the Children of the Corn" and I quickly realised why, as the locals gave me a long, slow stare. "More like The Slaughtered Lamb if you ask me" I muttered. Any way they quickly got back to their darts match and Posh Pinny and I settled into a long gossip interrupted only by the lupine howling from the darts players, presumably when one of them scored a double top!

Our first topic to discuss at great length was Hurricane's achievement in finishing the Taunton marathon. His very first full marathon after a lifetime of running! Posh Pinny, Nipply and I went along to watch and cheer him on, I felt quite a lump in my throat as he disappeared round the corner after the start to the tinkling sounds of "Chariots of Fire" Here is a picture of him at the start.....ahhhhh sweet!

and here's a picture taken after!!!  
Shame! Very well done Hurricane xxx

Now onto this evening's events - The first person back rushed over to tell me all about Nipple Deep and the Wrong Shoes! He set off wearing the wrong shoes quickly realised and turned back to change into the right shoes. Good job it wasn't the wrong trousers! The hash was reported to be very shiggy so much so that Nipple Deep was in fear of sinking in even deeper than his well-known nipples and he told me he was worried that Racy Tracey would disappear altogether! On the Khazi went in balls deep, direct quote, and Scupper Sucker told me of an exuberant young person floundering as if in Grimpen Mire. Sadly he couldn't name him and we didn't have Sherlock to help us. Grandpa and Scupper Sucker played the accusation game of who short cut the most. Mayhem said she had never been in the area before and hopes never to be here again! Uncle thought the fields were too uneven and the perfume of slurry just a bit too rural. However DoDo and On the Khazi enjoyed stopping to pick the wild garlic. On the Khazi said he was going to steam it with some salmon. Personally I thought he should make a garland of it and wear it round his neck as more howls came from the area of the darts board and I was anxious that Count Dracula had made his way into our Twilight Zone! Bumless was very excited as it was her first time in the light!

### **Hash Hush**

Our injured GM was unable to be with us so Nipple Deep stepped into to lead the Hash Hush. He thanked Stopcock for setting such an excellent hash and congratulated Hurricane on his lifetime achievement. We all sang a rip roaring Happy 21<sup>st</sup> Birthday to Footloose who has been telling me since last year that she is going to be 21 so now she is!! Thanks to Dogcatcher for buying us all a drink, feeding us delicious cake, and champagne too, what a treat! Thanks Footloose and a big Happy Birthday from us all.

### **And finally**

*Why did the angry Jedi cross the road?  
To get to the Dark Side.*

No prizes for getting 7 films, 8 if you count the joke, 9 if you count Footloose!!!
