I received the following email regarding our fabulous GM Raunchy:

Dear Jess,

I am delighted to say that you have been successful in gaining a place for the Grizzly 2018.

Your race number will be posted in early February to the address supplied.

Race information will be emailed and posted on our website nearer race date. If any of your personal details change, especially address or email, then please notify me immediately. The change of runner form, which will appear on our website in late October, can also be used for change of details. Please note that we do not offer refunds or deferrals to future years if you are unable to race.

Note that ballot result emails are sent out in batches, so any family or colleagues may not receive their email until several hours later. Please do not ask us if someone else has got a place unless they definitely do not receive an email within 24 hours.

Wishing you the best of luck in next year's race,
Tony Smith
