

## **Guidance for Hashers during Covid 19 restrictions.**

### **Prior to Hash**

- No hasher to attend should they or a family/household member be exhibiting symptoms of Covid 19.
- All Hashers do so at their own risk.

### **At the start**

- Ensure you comply with social distancing at all times.
- It is suggested that Hashers should not car share with non-household members.
- The hare will be in his/her car. Please check in at the closed car window.
- Please bring the correct money (£2) which you will put into the plastic box outside the hares car. No change will be given.
- Hashers will be responsible for their own keys. There will be no bucket for these to be left in.

### **On the Hash**

- Remain socially distant from other hashers at all times.

### **At the finish**

- Remember to check in at the Hares car.
- Bring your own drinks and refreshments. There will be no bucket of shandy.
- If Hashers choose to socialise they do so at their own risk. TVH3 will take no responsibility for this.
