So a truly great hash this evening from H this evening, it was always promising to be a wet and miserable night but when we arrived at the top carpark at Kit hill the mist had descended making for a real "Hound of the Baskervilles" night of it. The longs and shorts all took off in the same direction but after the first "Check" of the night we never saw them again, swallowed by the Kit Hill mist.

As you can see from the picture not an easy hash to follow in the mists. The weekend had been dry and sunny but by 7:30 last night the rain had been falling all day so making many of the clues in the flour difficult to decipher. Nevertheless we all successfully completed the course which did in fact circumnavigate the whole of Kit Hill. The lower reaches of the hill proved very slippery indeed and the clever deception at the bottom of the incline had the "longs" puzzled for a while before finding the route out along the lower path towards the road.

Some really great pictures from "Hurricane" showing the misty conditions.

The On Down at the "Rifle" was as always warm and comfortable. The food good and the beer excellent. The GM's Hash Hush included a presentation to Scupper sucker for not getting lost on the Caradon Hill hash of a few weeks ago!!

INFO For Hares

The "On Down" in the pub is a tricky situation at the moment, in that many are not comfortable with enclosed space so please where you can when you contact the pub can you find out what external / covered spaces they have available. And can you please advise the **Hare Master** (Nicky) a min of two weeks in advance of your hash to include the details of Start and, On Down and food availability at the pub so that I can put it here in the mag.

On a personal note,

I am taking part in this year's 2022 Ride London - Essex event. It is a massed ride of cyclists leaving the centre of London and this year for the first time going out into the Essex countryside in a wide loop and after 100 miles returning to finish at Tower Hill back in London. I am riding on behalf of the Macmillan Cancer Charity to raise funds for this incredibly worthwhile cause, the funds of which will be used to help so many people and families who face such heartbreak. I would be so very grateful if you could help me reach my target of £600.

You can access my just giving page from the link below.

Many thanks in advance.

Very Best Regards

Naughty Boy
