Holming Beam - We Mist You Arguiles

Thanks to Naughty Boy and Dirty Oar for a lovely moistish sort of a hash. It was "Super! Smashing! Great!". Although judging by the picture of our esteemed leader, Nipple Deep, he was hating every moment of it. To be fair the hill at the end was a bit of a killer.

Best moment of the hash was seeing Fergie struggling to get her Mums dog over a stile, only for Spit Ends to lob Archie over said stile who then galloped gleefully off into the woods. Due to the dampish weather the picnic was moved to the cart shed at The Dartmoor Inn, Merrivale, where we had to endure Glani's endless tractor porn

jokes. "Look at the bales on that". "That can pull my load" etc, etc, etc, etc, etc.....

The Nipple Meister has asked me to start a caption competition. The most talked about photo from last Monday is below. You have 2 weeks to make your (burnt) offerings. Best one, in the eyes of the judges (i.e., Deep Nipples) wins a prize. Be careful what you wish for!!!!!!

And finally.....

What's the difference between a cat and a complex sentence?

A cat has claws at the end of its paws. A complex sentence has a pause at the end of its clause.
