Next Run No: 2134	Start: Walkhouse Car park Launceston (motivates.modem.resonates)	Hares: Good Head

Great Hash at High down last night, many thanks to Gannet and Scrotey, it had all the elements of a great Hash, Water, Bog and lots of Shiggy, an open sky and a clear moor what more could you want. We had two new members join us tonight, father and daughter, Paul & Jess. The Hash started out from the carpark and made its way out into the night across High Down and into the misty rain. Was it Deja Vue as Nippy again found a nice warm, deep smelly bog to lounge in for part of the hash? His comment "Nothing so comfortable as a warm bog" your interpretation I leave to you! But nippy was not the only Bog trotter of the evening, Gnashers found herself Bog bound and in need of a pull at one point, down near the river in a particularly tricky place where the bog straddled the path and was almost unavoidable.

A good long sprint for the "On Home" then a speedy dash for the Pub "The Castle" at Lydford to try and beat the kitchen closure at 20:45. It must be said that the Castle is one of the most welcoming pubs that the hash use, great food always, warm rooms and great beer. Talking of warm, the Whats App banter shared over the previous week regarding the Toughies who brave the cold outdoors and dare the rest of us to join them was somewhat deflated when we went out to the beer garden and discovered it was warmer than the bar!!! Not a very environmentally friendly way of heating but the electric bar fires did the job and made for a very cosy and Covid friendly area.

Gannet made a new best friend "Gideon" the pub cat.

It was lovely to welcome Jane (Skid-Mark) back to the Hash after her "tumble" a few weeks ago, but in true Hash tradition we could not miss out on the opportunity to mark the return. The GM presented a collection of carefully crafted set of PPE to ensure Skiddy's continued safety.

Next week's hash is in Launceston with Goodhead as Hare. The "On down" is in the Bell inn, <https://www.bellinnaunceston.co.uk/> Food is a limited menu of Veggie Curry or a Cornish pasty. Could you please let GH know your choice by Thursday to avoid disappointment.

INFO For Hares

The “On Down” in the pub is a tricky situation at the moment, in that many are not comfortable with enclosed space so please where you can when you contact the pub can you find out what external / covered spaces they have available. And can you please advise the **Hare Master** (Nicky) a min of two weeks in advance of your hash to include the details of Start and, On Down and food availability at the pub so that I can put it here in the mag.
