A tale of Christmas Eve, delicious chilli, wonderful hospitality,
amazing chocolate cookies, plus lost and found

'Twas the night before Christmas, when all cross the moor
not a creature was stirring, not even a boar.
Then all of sudden there came a great shout ['Are You!']
Oh my goodness TVH3 are out and about.

And wasn't it worth it! What a wonderful time
through brambles, mud, down dale and then climb
Unfortunate Slush made a prickly short cut
His legs were all battered but safeguarded his butt

At the end of our toil what a joy to see
The bright lights of the Jones' welcoming me
We hashers assembled, enjoying our chilli
But wherever is Streaky? We all asked shrilly

The search party departed to trace our lost hasher
We all hope that she's not accosted by a flasher
Poor Streaky got lost as a result of bad intel.
Not to GoodaMeavy but Roborough. Was she under a spell?

But all's well that ends well.
She returned safe and well
And in time for some dinner
Perhaps a little thinner

So tonight we are gathered again on an eve,
Full of hope as through mud and shiggy we weave
TVH3 will never disappoint ... and we cried:
"Happy New Year to all, and to all a great 2019"

On On

Welcome 2019
