Well the polls are in and it look like Gnashers will be happy forever more (that is until we use up the last of the "rubbish stuff")

If only Slush had put more money into his campaign, he might have had a better outcome – we'll blame the hashers that didn't even vote!!! Speaking of, think there may be some down downs later for punishment!!!!

On to the hash – thanks to Cheddar, Gnashers and Minnie for the lovely hash at Four Winds.

Dogcatcher managed to arrive on time but left horn in the car so ended up late anyway.

Deep Throat apparently led Canon Fodder astray to a secluded spot...

Half way round Plympton tarts accused Hobo of shortening. We interviewed the accused for both sides of the story "It was a scientific route adjustment"

Gnashers reported "Cheating, front running long bastards defied all instructions and flour and went straight up the hill instead of going left." Glanni, Brian and Damian I'm sure it was a sensible idea really.

At the pub...

Embarrister very excited about a Westie being in the pub, if you ever need to distract her then mention Westies

Anal Vice shamed for 3 of his family members (including himself) forgetting to pay last week

HRM Biff presented Slush with an award for his excellence at motor biking – well done and Deep Throat with her excellence in services to the alcohol industry and Mayhem got her 200 runs award – congratulations to all (except Deep Throat as the other 2 actually deserve recognition)

Anyway here are some dates for your diary:

Sunday 24th July – Milton Coombe Brook Race (good fun, see me for teams)

Monday 25th July – Wedding Run, wear all your wedding stuff to celebrate Bin Liner

Saturday 30th July – Queenie's birthday celebrations party at Dogcatcher's House

Monday 22nd August – Red Dress Run

On On!
