Next Run No: 2132	Start: High Down carpark (Up The track just beyond the Dartmoor Inn) What three words: - ///alley.derailed.cheerful	Hares: Scrotey & Gannet
Date: 07/02/22	On Down: The Castle Inn lydford. Outside areas are available at the rear of the pub.	Scribe: NB

Great hash last week from “Spike” and “Mudsucker” but with a very unusual start. We saw “Gannet” and “Pony” being asked to compete at “Press ups” for the privilege of taking either the good or bad hash routes. As it turned out there was only one route and with typical Spike Hareing it was pretty long!

The night was cold and clear so a Hash on the top of the moor was a great experience, once we had got moving and warm. Biff had technical difficulties with her head torch and the reserve was duff also. Biff was ably assisted by Dodo and Dirty Oar to complete the hash sharing their lights. Dodo had brought a searchlight apparently. The Glanville’s lighting engineer has since been fired !!!

If anyone has an interesting comment, story or observation from this week’s Hash please do let me have it for inclusion in next weeks.

INFO For Hares

The "On Down" in the pub is a tricky situation at the moment, in that many are not comfortable with enclosed space so please where you can when you contact the pub can you find out what external / covered spaces they have available. And can you please advise the **Hare Master** (Nicky) a min of two weeks in advance of your hash to include the details of Start and, On Down and food availability at the pub so that I can put it here in the mag.
